We have audited the accompanying financial statements of ASA Philippines Foundation, Inc., which comprise the statements of assets, liabilities and fund balance as at December 31, 2009 and 2008, and the statements of comprehensive income, changes in fund balance and cash flows for the years then ended, and notes to financial statements comprising of a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Philippine Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with Philippine Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

MAR 29 2010

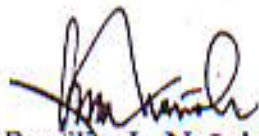

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the assets, liabilities, and fund balance of ASA Philippines Foundation, Inc. as of December 31, 2009 and 2008, and of its statements of comprehensive income and its cash flows for the years then ended in accordance with Philippine Financial Reporting Standards.

ASA PHILIPPINES FOUNDATION, INC.
(A Nonstock, Nonprofit Organization)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2009 and 2008
(Amounts in Philippine Pesos)

1. CORPORATE INFORMATION

1.1 Foundation Information

ASA Philippines Foundation, Inc. (the Foundation or ASA) was incorporated and registered with the Philippine Securities and Exchange Commission (SEC) on July 9, 2004 with Registration Certificate No. CN2004-09459, and with the objectives to (a) provide efficient and affordable financial services to the poor for their income-generating activities; (b) build an effective and efficient microfinance institution for sustainable delivery of microfinance services to the entrepreneurial poor; and (c) facilitate the convergence and provision of other social services for the poor.

The ASA Program provides:

- (a) Microfinance services to qualified poor, low-income women engaged in micro and small scale enterprises.
- (b) Financial and other forms of assistance to its member clients in case of death and calamities and college scholarship for deserving children of member clients, as part of social services to the poor.
- (c) Business development services for the member clients to improve efficiency in enterprise management.

The Foundation's registered office, which is also its principal place of business, is located at Unit 509 Prestige Tower, F. Ortigas Jr. Street, Ortigas Center, Pasig City.

1.2 Authorization for the Issuance of Financial Statements

The financial statements of the Foundation for the year ended December 31, 2009 (including the comparatives for the year ended December 31, 2008) were authorized for issue by the Foundation's Board of Trustees on February 17, 2010.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies that have been used in the preparation of these financial statements are summarized below. The policies have been consistently applied to all years presented, unless otherwise stated.

2.1 Basis of Preparation of Financial Statements

(a) Statement of Compliance with Philippine Financial Reporting Standards

The financial statements of the Foundation have been prepared in accordance with Philippine Financial Reporting Standards (PFRS). PFRS are adopted by the Financial Reporting Standards Council from the pronouncements issued by the International Accounting Standards Board (IASB).

These financial statements have been prepared using the measurement bases specified by PFRS for each type of asset, liability, income and expense. These financial statements have been prepared on the historical cost basis. The measurement bases are more fully described in the accounting policies that follow.

(b) Presentation of Financial Statements

The financial statements are presented in accordance with PAS 1 (Revised 2007), *Presentation of Financial Statements*. The Foundation presents all items of income and expenses in a single statement of comprehensive income. Two comparative periods are presented for the statement of financial position (statement of assets, liabilities and fund balance) when the Foundation applies an accounting policy retrospectively or makes a retrospective restatement of items in its financial statements, or reclassifies items in the financial statements (see Note 2.2).

(c) Functional and Presentation Currency

These financial statements are presented in Philippine pesos, the Foundation's functional currency, and all values represent absolute amounts except when otherwise indicated (see Note 2.9).

2.2 Adoption of New Interpretations, Revisions and Amendments to PFRS

(a) Effective in 2009 that is Relevant to the Foundation

In 2009, the Foundation adopted for the first time PAS 1 (Revised 2007), *Presentation of Financial Statements*, which became effective for financial statements for the annual period on or after January 1, 2009. The amendment requires entity to present all items of income and expense recognized in the period in a single statement of comprehensive income or in two statements: a separate income statement and a statement of comprehensive income. The statement of comprehensive income shall disclose income and expense recognized in profit and loss in the same way as the current version of PAS 1. The statement of comprehensive income shall disclose profit or loss for the period, plus each component of income and expense recognized outside of profit and loss classified by nature. Changes in the fund balance arising from transaction with owners are excluded from the statement of comprehensive income (e.g., contributions).

A statement showing an entity's financial position at the beginning of the previous period is required when the entity retrospectively applies an accounting policy or makes a retrospective restatement when it reclassifies items in its financial statements.

The Foundation's adoption of PAS 1 (Revised 2007) did not result in any material adjustments in its financial statements as the change in accounting policy only affects presentation aspects. The Foundation has elected to present single statement of comprehensive income (see Note 2.1).

(b) Effective in 2009 but are not Relevant to the Foundation

The following amendments, interpretations and improvements to published standards are mandatory for accounting periods beginning on or after January 1, 2009 but are not relevant to the Foundation's financial statements:

PFRS 1 and PAS 27 (Amendment)	:	PFRS 1 – First Time Adoption of PFRS and PAS 27 – Consolidated and Separate Financial Statements
